LOCAL MATTERS.

WEATHER PROBABILITIES.—For this season, bright and sunny Saturday; slightly cooler Sunday; warmer Saturday; northerly winds becoming southerly.

ADMITTED INSANE.—Dr. Thomas H. Holmes, who about thirty years ago resided in this city, but who for many years has conducted the drug business in Williamsburg, N. Y., has been admitted insane. Dr. Holmes was at one time well-known in this city, having come here during the early part of the war and opened an establishment for embalming the dead on Alfred street near King street. He subsequently became associated with Mr. B. Wheatley. He was the originator of the process of embalming in this country, and he made a fortune at his profession. While in this city his business flourished, as he obtained the embalming of soldiers who had died or been killed in battle. He also had an establishment at Harrison's Landing during the war. The doctor of late had become an enthusiast on the art of embalming, and he believed an important process, which he desired to teach would profitably. He has a human arm hanging in his office which he had embalmed and which had been rendered hard and the color of corn. The doctor is now 82 years old, and a fall he received recently has unbalanced his mind. A day or two ago, while demolishing furniture with an axe, he was taken in custody.

THE TEMPLARS AND ASCENSION DAY.

In observing Ascension Day, Old Dominion Commandery, No. 11, K. T., attended Divine service at the M. E. Church South last night and listened to an interesting and instructive sermon by Rev. J. W. Grubb, of Leesburg, who is a member of this commandery. The knights to the number of 35 assembled in the Temple and marched in a body to the church. The choir rendered an anthem, after which Rev. J. T. Williams led in prayer, which was followed by a hymn by the knights and congregation. Rev. Mr. Grubb, after reading the Bible selections for the evening, took his text from 1 Cor. 15 chap., "As we have borne the image of the earthy we shall also bear the image of the heavenly," and, as mentioned above, preached an able sermon on the life, resurrection and ascension of the Lord Jesus Christ. After the sermon the knights again formed in procession and marched back to the Temple, where they broke ranks.

RED MEN.—There was a full attendance at the regular meeting of Osceola Tribe of Red Men last evening, and after the ceremony of scalping two pale faces matters pertaining to the meeting of the Great Council of Virginia, which takes in Lynchburg Tuesday, May 20, were discussed. Mr. Charles Nagel will represent Osceola Tribe and Mr. James P. Lash will be in attendance as Great Prophet and P. G. S. As this will be the semi-centennial of the Great Council, many of the most prominent members of the order will be present. There will be a parade and speaking at the Grand Opera House, at Lynchburg, on Wednesday following. An invitation has been extended to the Osceola Tribe, No. 1, of Alexandria, to occupy the post of honor on that occasion.

STRUCK BY A TRAIN.—Albert Fields, a colored laborer of Washington, who has been working on the Mount Vernon electric road near the Long bridge, recently, was struck by an express train near the bridge in Washington yesterday and was not dangerously hurt. He had stepped from one track to avoid an approaching train when he was struck from the rear by the express. The engine struck him full in the back, and threw him about fifteen feet. He narrowly escaped being thrown in the river. When picked up there was an ugly cut on the side of his face, made by his coming in contact with the earth. He was unconscious at the time, but consciousness was soon restored, and he was taken to the Emergency Hospital.

TEACHERS' EXAMINATION.—By order of the Superintendent of Public Instruction, J. E. Massey, the superintendents of schools of the various cities and counties of the State will this year hold examinations for teachers' certificates as follows:

It is expected that all superintendents will hold examinations on the days mentioned, using the questions issued from the office of the Superintendent of Public Instruction.

DRUM CORPS.—The Third Virginia Regiment Drum Corps held its regular weekly meeting and practice at its hall last night. Although the weather was very warm there was a large attendance of members. The practice proved very satisfactory, and shows that each member is taking great interest. The corps, which meets in the City Hotel, has moved its place of meeting to the lower floor, and will furnish its hall in a very artistic manner. The corps is in a very good condition and has prospects of getting more life and color in the future. It now has a membership of twenty-four.

NEW TRIAL REFUSED.—As stated in the GAZETTE of that date Judge Nicol, of the Circuit Court of Fairfax, in chambers at Manassas, yesterday overruled a motion for a new trial in the case of Poss and Henry, who were recently convicted in the county court of Fairfax of an assault on Mr. Alexander McClintock and sentenced to serve nine years each in the penitentiary. The Commonwealth was represented by Commonwealth's Attorney J. M. Love and Mr. R. Walton Moore, while the prisoners were represented by Messrs. Edmund Burke, J. H. Greene and L. C. Bailey. Counsel for the prisoners moved a continuance on the ground that an application for a mandamus was pending, but this motion was overruled. Mr. Moore then spoke against granting a new trial and counsel for prisoners submitted the case on their briefs. On the overruling of the motion for a new trial an appeal was taken and sixty days were allowed by Judge Nicol for prisoners' counsel to take the case to the Court of Appeals.

JR. O. U. A. M.—Alexandria Council No. 33, Jr. O. U. A. M., held its regular weekly meeting last night with about one hundred members present. Four new members were instructed into the degrees of V. L. and P. and one old member was reinstated. Five applications for membership were received and referred to the committees for examination and report. The membership of the council at present is two hundred and fifty and by July, the close of the quarter, they anticipate a membership of three hundred. The final preparations were made last night for attending divine service on next Sunday afternoon at Trinity M. E. Church. Rev. D. H. Kern, who is to deliver the sermon will be assisted by Rev. Mr. McDougle and Mr. Redding. Belle Haven and J. W. Jackson Councils will also attend with Alexandria, and with a membership of about five hundred in this city, it is anticipated the full strength will be present. The committee on the Norfolk excursion reported progress and the committee was continued.

THE SEWER CASE.—The injunction case of the sewer tappers against the city, in which Judge Norton has enjoined the officers of the city from cutting off the connections of various property owners with the public sewers, was heard to-day by Judge Norton of the Corporation Court. The city was represented by Corporation Attorney Brent and the sewer tappers by Mr. J. M. Johnson. After argument the case was submitted to Judge Norton, who will render his decision later.

FUNERAL.—The funeral of the late Luther D. Harrison, who died at Wytheville on Wednesday, took place this morning from the residence of his sister, Mrs. Mary Kell, on Queen street. The services were conducted by Rev. J. T. Williams, of the M. E. Church South, and the pallbearers were Messrs. S. L. Monroe, L. H. Kell, E. H. O'Brien, Thos. Kell, S. H. The tables were lavishly spread with substantial and delicacies.

How to Treat a Wife.

(From Pacific Health Journal.)

First, get a wife; second, be patient. You may have great trials and perplexities in your business, but do not, therefore, carry to your home a cloudy or contracted brow. Your wife may have trials, which, though of less magnitude, may be hard for her to bear. A kind word, a tender look, will do wonders in chasing from her brow all clouds of gloom. To this we would add always keep a bottle of Chamberlain's Cough Remedy in the house. It is the best and is sure to be needed sooner or later. Your wife will then know you really care for her and wish to protect her health. For sale by L. Stabler & Co., druggists.

100 BUSHELS OF PRIME WHITE POTATOES for sale at 50 cents per bushel by J. C. MILBURN.

MONETARY AND COMMERCIAL.

This has been another quiet week in business circles. The grain market continues dull and the fishing season is about over. Money matters are also quiet. In New York yesterday money on call was easy at 2½-3 per cent.; last loan 2½ per cent.; closed 2½ per cent. Prime mercantile paper at 4½-5 per cent. Baltimore money has been in good demand at the unchanged rate of 4½-5 per cent. on call, with time loans and bank accommodations steady at 6 per cent. Local shares remain quiet and unchanged.

New York, May 15.—The engagement of \$1,000,000 gold for shipment to Europe to-morrow, and the continued silence on the part of the leading republican candidate for presidential nomination, exerted an unfavorable influence on the railway and miscellaneous speculation during the first hour of business. The decline in the usually active list ranged from ½ to 3 per cent. The treasury call on the national depository banks for one-half the amount which they hold to the government credit ought to stiffen interest rates and check gold exports. Speculation at 11 o'clock was weak.
